Bremen Students Demonstrate Their Opinions

The Bremen students demonstrated their opinions on the subject of the school's policy on the use of the word "Bremen" in the school's name. The students were asked to write a letter to the principal expressing their views. The letters were then read aloud in class. The students expressed a variety of opinions, with some feeling that the word "Bremen" was a source of pride and others feeling that it was a source of embarrassment. The principal thanked the students for their input and said that he would consider their suggestions.

'We'd all like to see Mr. Bieber please.'

Homecoming 1973

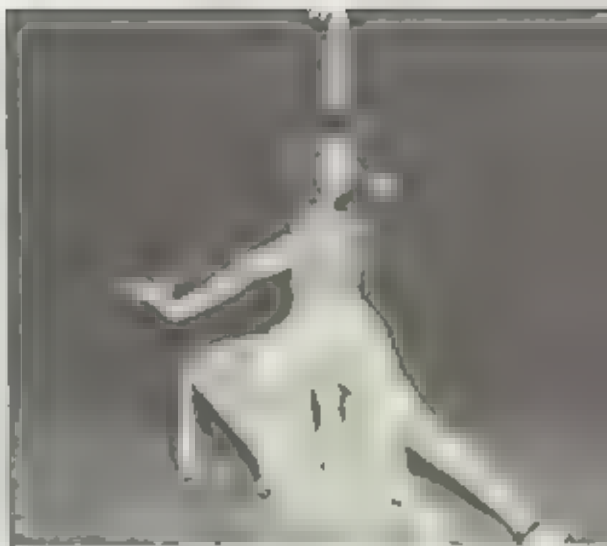

Disputes plus disputes were part of this year's Homecoming activities. But inspite of the seniors crying and the juniors complaining, Homecoming itself was very enjoyable. Sophomores and Freshmen took honors with their floats and our teams put forth a determined effort for the school. Reigning over all this was Queen Mary Ceja and her court Kathy Holuk, Mary Kay O'Neill, Bev Stofferahn, and Judy Vaughn. The highlight of the activities came at the dance that night when everyone remembered...

Battle of the Bands

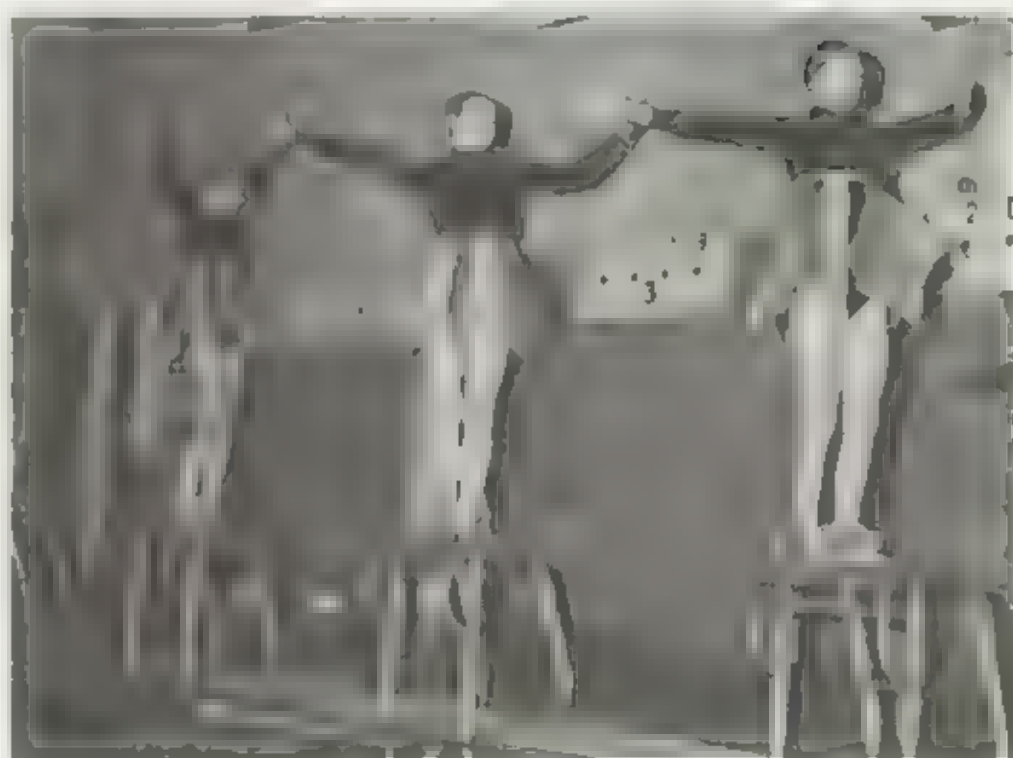

This year's Battle of the Bands was held on November 3, 1973. There were two groups competing for the cash award of \$100.00; Cat's Cradle and Harvest. The winner of this year's battle was Harvest by an overwhelming margin.

Mr. Kaczorowski and the AV aides sponsored the battle and were very well pleased with attendance and enthusiasm exhibited by the students in choosing a winning band.

Dolphins . . .

This year's Dolphins added a new dimension to their show A WALK DOWN MELODY LANE with new ideas in costumes, deckwork, and music. It was an unforgettable year for all those concerned, for who could forget "those new girls" and their body measurements, or Mrs. Rowe saying she's not emotional, or practicing AND practicing for that eight back dolphin. So although they complain of sore muscles, long hours, and new techniques, they'll be back to add their grace?, charm?, wit? and swimming ability to next year's show.

"Just You and Me" was this year's theme for the annual turn-a-bout dance sponsored by the Pep Club.

The gaiety and the charm of Raggedy Ann and Andy combined to make this dance not only a large success, but also a night to remember for all.

Arrow Winter Carnival

This year's winter carnival included over eighteen clubs participating in over twenty-five booths of all shapes and sizes. With a haunted house, shooting gallery, cake walk, fortune teller, sponge throw, and many other activities, hundreds of people came to join the carnival atmosphere. This, the second year for the carnival, brought over \$750 to a very happy and hard working Arrow staff. Prospects already look brighter for next year.

The Christmas Spirit was brought in this year with the Christmas Concert, December 16. The Chorus and the Band presented their selections to a fair size crowd. Noel, and Rudolph the Red-Nosed Reindeer were just a few of the songs.

Play Music for Me

"Play Music For Me", this year's Orchestis show was a huge success. A large audience was in attendance to witness the vast array of 'guys and gals' bedecked in their costumes. The audience was pleasantly surprised to note that although the songs themselves were relatively new, some of the dance steps reminded them of when THEY were teenagers. Exercise and practice paid off to make a very enjoyable show.

ORGANIZATION

Pom-Poms

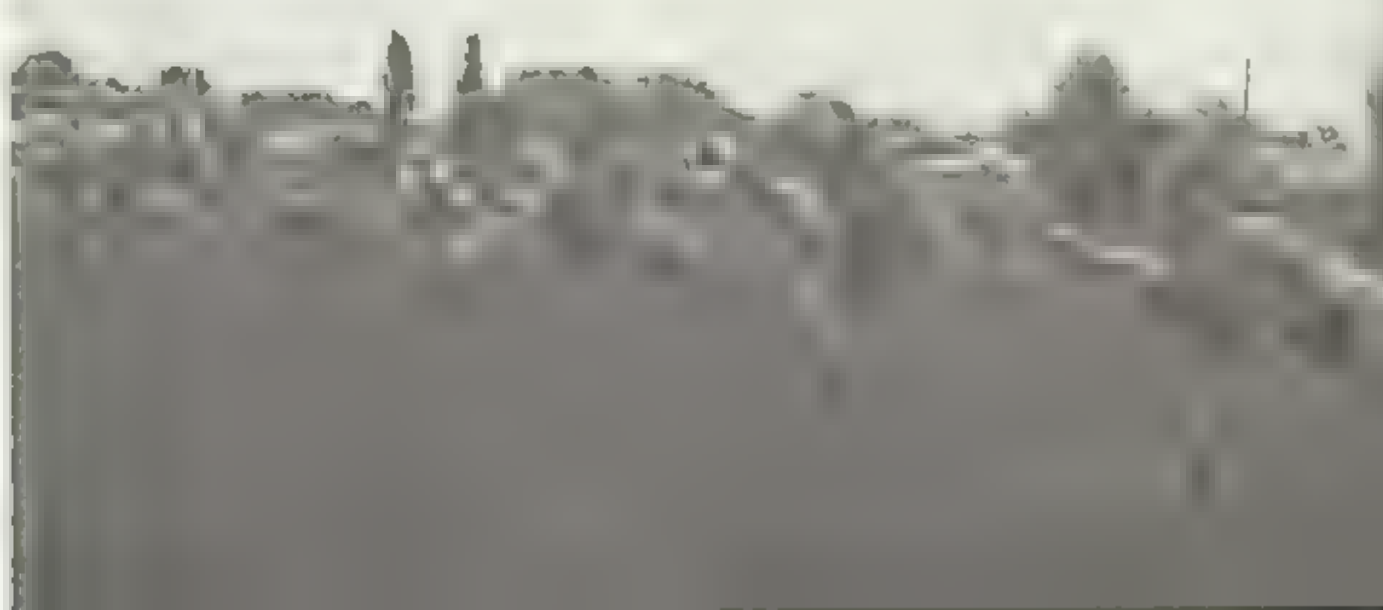

The Pom-pom girls perform at all home basketball games and they perform at the pep assembly. The club consist of 24 girls, and were chosen on their rythm, and creative instincts: The group originated about 6 years ago and are still on the go.

The girls create their own dances and choose the record that they wish to dance too.

Orchesis

The purpose of this club is; to develop a vocabulary of movement, increase flexibility, agility, strength, coordination, balance, control of muscles, creative instincts and the ability to work with others.

They gave one show a year and not too many other things were included. Two years ago we decided to venture out. Now we give shows at other schools, a fashion show in which we bring in professional people, and other activity among ourselves.

THIS YEAR BREMEN WAS VISITED BY TWO FOREIGN EXCHANGE STUDENTS.

The youngest was Luis Inacio Craveiro Bittencourt, who is 15 years old and was from, Fortaleza, Brazil. Luis lived with Rich Meenhon who went to Colombia over the summer of '73. Luis hopes to become an engineer and will probably have no trouble because he is the second in his class in Brazil.

The other foreign exchange student was Libardo Forero, who is 19 years old and was in many classes at Bremen. Libardo played basketball for his team in Cali, Colombia and that team was in the Junior Olympics. Libardo tried to give our Bremen guys some tips on the game in his spare time.

Echo-Oracle

Earlier this school year Bremen's newspaper THE ECHO, joined together with our own literary magazine, THE ORACLE. Born out of this union was the ECHO-ORACLE, a publication that only a student could love. Each issue dealt out criticism and verbal muggings to "everyone we could think of." Thank heavens for Mrs. Profetto and Mr. Kristan.

Student Council Strives Ahead

Bremen's Student Council's greatest contribution this year was the work they did to help the referendum pass. The first weeks of school were devoted to the referendum. Members passed out leaflets and buttons to voters. The Council also sponsors the Harvest Haze and Get Acquainted dances. Along with the annual Variety Show and Spirit Week. Car washes, candy sales, and bake sales are other fund raisers. The biggest job is sponsoring Homecoming. During this week, the Council organizes Spirit Week, a pep assembly, and finally Homecoming Dance.

Bremen Thespian Troupe 2206 kept busy this year attending such plays as "Grease", "One Flew Over the Cuckoo's Nest", "Oklahoma" and "Gypsy". They also participated in a Drama Workshop at Riverside Brookfield High School. They mystified many with the Haunted House at the Arrow Winter Carnival and supplied mime entertainment at the 1974 Dolphin Show. Thespians donated time and perspiration to paper drives which helped send nine members to California during Easter vacation.

The job of the foreign language clubs is to give more knowl-
edge of the country they study.
The clubs plan trips to exhibits
about the country. The German
club went to Milwaukee to see
an exhibit of various cultural
aspects of Germany and they
also tried authentic German
food. The Spanish club went to
see the Ballet Folklorico of
Mexico and also had a meal in
a Mexican restaurant. The
French club also had a chance
to go to Milwaukee to see the
French exhibit. Besides these
trips, the clubs try to send a
student to study in a foreign
country. The three clubs are
sponsored by Mr. Morris, Mr.
Vogel and Mr. Perna.

CHORAL MUSIC

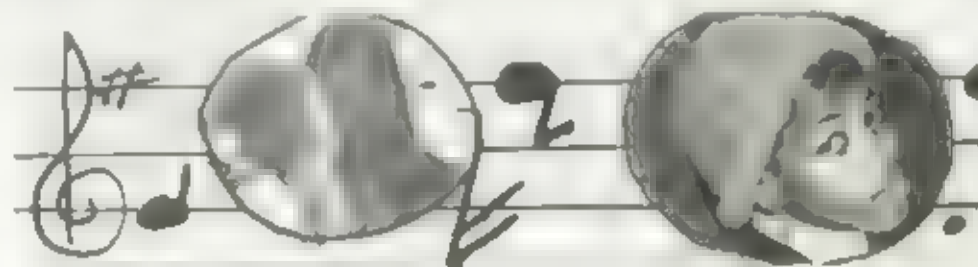

The choral department of 1973-74 will long be remembered as one that distinguished itself in many ways. It had more members return from the state competition with superior and excellent medals than ever before. It provided another fine Christmas concert and pioneered a Spring concert that may soon become a tradition. In addition to the band, the choir asked members of the art department, speech and drama department, and Orchestras to participate in a very memorable evening. Ending the year with the annual banquet at the Holiday Inn, this year's awards went to Carolyn Hudson who received, not only the Director's Award, but also the award for Outstanding Senior; and to Steve Bell, who received the Outstanding Service Award. As is often the case, this year's seniors will be sorely missed.

The members of Future Teachers of America attend various workshops during the year. At these workshops, the girls learn about different fields of education. The girls also have candy sales and bake sales to raise funds. They also sponsor the Teachers Tea in the spring and they serve as guides for Parents Open House in the fall. Layne Meirhofer is club president and Mrs. Jones is the club sponsor.

Speech Team

Bremen's Speech Team is one of the hardest working organizations at Bremen. They must constantly practice the selection they have chosen and most members perform in regular district invitational. This year is one of the most successful years for the Speech Team. There are many individuals who deserve special comment. At the Thornton Junior College Festival Lynn Vacek, Melvin Chaney, Glenn Haines and Todd Brown received "Certificates of Excellence" for their performances. Later at the Rich Central Invitational Melvin Chaney took first place in Verse reading and was presented with a trophy. Glenn Haines has a fourth place in conference in Humorous interpretation. The Speech Team has a good chance to do well in Conference and Regional finals. The team's sponsors are Mrs. Susan Boettcher and Mr. Michael Kristan.

IN MEMORIAM

John D. Clark

The death this year of MR. JOHN D. CLARK was a tragic one. The loss was felt not only by the science department where he served for 4 years but also by the wrestling teams where he was head coach. In memory of Mr. Clark's devotion and energy this year's athletes dedicated their season. He will be missed here at Bremen.

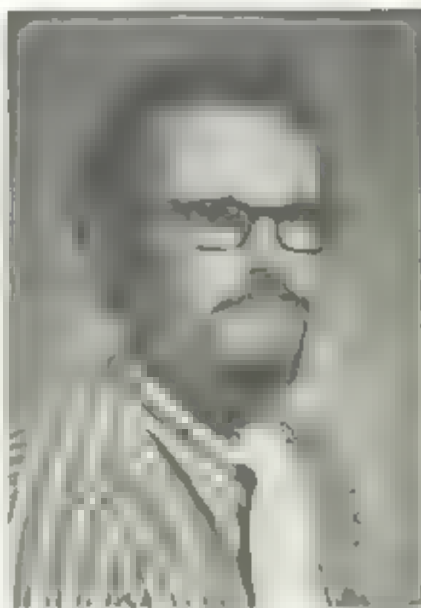

Joseph A. Cordaro

A sad event at Bremen this year was the death of MR. JOSEPH A. CORDARO. Mr. Cordaro was starting his twenty-first year here in the science department. He was a strong supporter of all activities and a real asset to the school.

We're From Bremen Couldn't Be Prouder

What does it mean to be a cheerleader? It means cheering for athletes, in front of a crowd of spectators, backed by the student body. Showing the Bremen teams how proud you are of them.

Bremen's cheerleaders no matter if we're winning or losing, shout their loudest, jump their highest, and project as much spirit and enthusiasm as they possibly can.

And that's what cheerleading is, being proud of your school and team and being eager to show it!

Varsity Braves Win Four

Bremen Cross-Country's Brotherhood of Runners served notice to the new S.I.C.A. East Conference that they are to be considered as serious contenders for future conference championships.

Despite the return of only one varsity runner from last year's team and a total of only four runners on the varsity level, the varsity team managed to win four races. Junior Ed Weber just nosed out Captain Drew Fowler for the Most Valuable Runner Award. Juniors Ed Weber and Rich Meenan became the latest members of the "1000-Mile Club". Junior Jim Hardy became the first runner in Bremen's history to earn a "2000-Mile Club" membership.

The Frosh-Soph team was the most successful Cross-Country team in the school's history. Lead by Captain Wayne Scott, the Mini-Brothers won eleven, lost one and tied one; won the Conference Championship; won the Annual District 228 Championship; won the Rich East Quadrangular; and won the third place trophy in the Tinley Titan Relays. Members of the Conference Champion team were: Mike Clark, 1st; Steve Ibarra, 2nd; freshman, Jim Gustafson, 8th; Kevin Battle, 14th; Chuck Schuchart, 25th; freshman, Frank Baniewicz, 32nd; Wayne Scott, who was forced to drop out of the race because of a leg injury. A new Sophomore course record of 16:26 was established by Scott on Bremen's course. The former record was 17:01, held by Rich Meenan.

Tennis started off the first full girl's athletic season with a 3-3 record. These girls actually started their work for this season last summer during summer school when many of them learned to play. Girls to be remembered for singles are 1st: Wendy Duckwall, 2nd: Kim Parsons, 3rd: Maureen Hanlon, and Doubles 1st: Nancy Hulvey and Joan Wilma, 2nd: Mary Ceja and Mary James. With the return of so many underclassmen, the 1974 season seems very promising.

As the football season ended, two of Bremen's players received awards in recognition of their outstanding performances. Kevin Hunt and Pete Couture were named All Area Running Back of the Year and All Area Line Backer respectively. Kevin averaged over 6.4 yards per carry and 957 yards total with 149 carries. He also returned 8 punts and 9 kickoffs for a total of 213 yards and 242 yards respectively. Kevin also caught 7 passes for 117 yards and scored 9 touchdowns. Kevin was also named All Conference Running Back.

Pete Couture was one of Bremen's best line backers in the 1973-1974 season. He had the speed and quickness to make him an excellent tackler. He made an average of 11 solo tackles per game and he had a season total of 107. He averaged 8 assists per game with a total of 77 for the year. Pete also made 3 interceptions for 70 yards and also blocked 4 punts. He was also named All-Conference Line Backer.

Braves waiting!

The Bremen girl's swim team belongs to SICA. The conference was reorganized for equal competition among schools. Being the first year the turn out was small, with only a Varsity team. Practices had there problems as all teams do. Once these were corrected everything changed.

At the end of the season the team was 3-4. Six swimmers earned their letters. To do this they had to swim in half of the meets and average 2 points per meet. The swimmers who earned letters were; Lynn Carroll, Cathy Diddens, Julie Hartmann, Penny Heffelfinger, Julie Plowman, Sandy Stonis, and Judy Surdell. Freshman receiving numerals were: Carol Anderson, Luray Buress, Helene Henke, Kathy Keskel, Diane Skorup, and Janet Wilkenson. The rest of the team received certificates for participation.

GIRL'S

Opel Johnson - High Shooter

This year's sports took on a new look; a female look. The basketball team was no exception. There was enough interest created by the girls that there was formed an A and B team. The girls practiced diligently and the results were very commendable.

Debra Stokes, and Opel Johnson, both seniors, added much of the energy to the team. Opel was named as high scorer for the majority of the games and Debra received the coaches award for her overall hard work.

The team is looking forward to improving their record next year, with the help of all the returning underclassmen.

Grapplers Have Winning Season

Few wrestling seasons begin with a loss such as the loss of Coach Clark, yet dedication reflexive of the man showed through as the varsity completed their season. Seniors McCray (capt.) Sutherland and Winie (Conference Champs) and Suhr were aided by strong juniors who with this year's undefeated sophs will, next year, carry on a dedication begun by one man.

Ron McCray is Bremen's first State Champion. McCray turned in a 2nd in SWSA this year going on to become district champ, 2nd in sectionals and qualifying for state with a season of 24-4-1. This year he received his weight from 145-155 and with a season record of 31-3-1 and a career record of 55-7-2. RON McCRAY becomes a BREMEN FIRST

Bremen's Historical First

This year the sophomore wrestling team distinguished itself by grappling its way to the first undefeated wrestling season in Bremen's history by finishing with an 15-0 record. Notable sophomores were Capt. Tim Hopkins, who took a first in conference, and Mark Fredricks and Pat Renfro who were runners-up. The leading sophomore record went to "Junior" Caranzo with a finish of 17-2.

Girls' Bowling Team Takes Second in Conference!

This year's bowling team was a huge success! The girls were interested enough to be able to field a full first team and also a back-up team. This was a feat in itself, because the bowling team is one of the few teams that has to practice somewhere besides the school. This involved many hours just waiting for or traveling in the buses.

Although this is the first year for the girl's bowling team (or actually any bowling team) they were able to make second in conference. Quite an accomplishment for the first year.

The girls didn't leave it there, however, they constantly challenged, and usually won, against the faculty members. (Some think the girl's were more excited to tromp all over the faculty rather than anything else.)

Quite an end for a good first year!

Miss Walhberg, Annette Nelson, Susan Hershfield, Cindy Panozzo, Wendy Duckwall, Pat Niemeck, Joyce Kress.

Due to circumstances beyond the staff's control, the original team pictures and copy were "misplaced". We hope the following girls will accept our apology for being omitted from the team picture: Gloria Calhoun, Sandy Craig, Kathy Farrell, Janice Frazier, Krys Juleen, Grace Keeny, Sandy Keeney, Sioux Minas, Melanie Schmidt.

Baseball at Bremen this year had its ups and downs with the Varsity getting off to a slow start and bogging down midseason, but finishing with a strong three game winning streak. The Frosh also had their problems but still look to a strong season next year. This year, however, it was the Sophomores turn again as Coach Johnson coached the team to their second conference championship.

Individual credits go to Bob Bernacki who was selected All-Conference Varsity.

SENIORS

Climax: a Year of Achievement

The senior year is an all important one. Four years of work, study, and fun begin to have meaning; something almost over, something almost beginning. Conflicting emotions are another sign of a senior year-emotions ranging from easy assurance to unspoken anxiety, from twinges of nostalgia to breathless anticipation-and always, the increasing awareness of how much there is to learn!
